The Book of Proverbs (Fellowship Hall East) Proverbs is the book of wisdom, instruction, understanding and knowledge. It was written to give guidance, knowledge and discretion to the young, and make the wise wiser as they deal with the art of living in general. The Book of Proverbs addresses the role of wisdom in God's creation, and reveals why we must fear and trust in the Lord.

Peacemaker (Cafeteria B) Come learn the Biblical principles of being a peacemaker and how to apply and teach them to your young children. Hear about firsthand experiences Principal Christine Miller had with her own children and how you can weave God's plan for peace into each of your relationships. Parents of toddlers through elementary grades are encouraged to attend, but ALL are welcome.

Big Questions, Biblical Answers (Library) Have you ever wondered, 'Does science confirm the Bible?' or 'Where do the races come from?' or 'Does the age of the earth matter?' or 'Why believe in a 6 day creation??' Join us as we discuss these tough questions through a DVD format.

Financial Peace University (Cafeteria A) Spend a little too much on Christmas this year? Credit card bills stacking up? Wish you could get a plan to better budget for your household? Are you looking for Financial Peace in 2019? This will be a 9 week class.
