### To Help You in Your Worship Today: May 11-13

**To Our Guests:** Welcome to Trinity! We hope that your visit is one that helps you to connect with God's will for your life – and that we will have the opportunity to welcome you to worship again soon.

**Communion:** Members in good standing with other LCMS congregations (or of those with whom the LCMS is in fellowship) are invited to participate in communion. Members of other Christian churches should speak with the pastor prior to communing here. Worshipers who are not communing are welcome to approach the communion rail for a blessing from the pastor, taking in hand one of the crosses provided at the head of the center aisle.

For those who are unable to receive wine for medical reasons, clear grape juice is available in the center of the individual cup tray. **Note:** Several other options are available that still allow you to receive the wine: take the chalice and allow the wine to just touch your lips, or dip the wafer in the chalice. We ask that lipstick be removed if you are receiving chalice.

We offer **gluten free wafers** for those who have special health needs. Wafers are in the small container also located in the center aisle. If you need the gluten free wafer, please pick it up as you go to communion. Hold the wafer until the elder is in front of you, so he can say, "The body of Christ given for you." Then you may eat the wafer as you normally would.

**Hearing Loop Available!** Users with a t-coil in their hearing aid can listen to the service directly through their hearing aids. Non-hearing aid users can pick up a loop receiver and listen through a headset. Hearing transmitters are also available at the Contemporary service in the Gym. You can get them at the sound board.

**Visual Worship Helps:** For those who are visually challenged, Sunday morning 8:00 & 10:30 a.m. Traditional bulletins are available on our website ([trinitycp.org](http://trinitycp.org)). You can also find copies of our announcements and newsletters there. Speak to one of our ushers if you need assistance accessing Trinity's wifi network.

**Nursery:** Trinity's Nursery is found off the Fellowship Hall (immediately under the Sanctuary). The Nursery is staffed during all Sunday morning services, as well as the Bible class/Sunday School hour. The Nursery is designed for use by children under the age of three (children three and older are able to participate in Sunday School and are encouraged to participate in the worship services).

**Friendship Register:** Help us to be a caring church by recording your name, address, and other pertinent information in the Friendship Register that will be passed during the service.

## General

**Dearest Trinity family!** Thank you so much for your tremendous and overwhelming support for the Trinity Hornet Players' production of Dorothy Meets Alice or the Wizard of Wonderland. Your kindness, generosity and enthusiasm is inspiring and deeply appreciated. We are already excited and "a buzzzzz" with ideas for next year's production. If you are doing any spring cleaning, we'd love your donations for upcoming theatrical projects. A list of ideas? Here's a few to get you thinking!:

-old costumes, old prom/cocktail/wedding attendant dresses, costume jewelry, hats (men/women) please no baseball hats, gloves (formal). Donations can be left by the Art Room door located in our Fellowship Hall. Thank you, again, for your love & support! The Trinity Hornet Players

**Second Sunday Sharing:** It's time once again to consider participating in Trinity's Second Sunday Sharing that will be taking place on Sunday, May 19th. Every month, Trinity collects canned and boxed foods, as well as those items people cannot buy with food stamps such as cleaning and personal hygiene products. For May, are in need of canned fruit, applesauce and applesauce cups, pudding cups, pasta side dishes, rice side dishes, and canned meats, especially chicken. For taxables we will need, laundry detergent and fabric softener or dryer sheets, body wash and body gel, liquid hand soap, and zip lock bags. We always need toilet paper and paper towels. There is a drop box in the Narthex (if you attend traditional services) and one at the bottom of the stairs just outside the gymnasium (for the contemporary services). These boxes are available all month long, so if the Second Sunday does not work out, please feel free to bring your donations at any time! Please be as generous as you can; every little bit helps.

**Associate Pastor of Care Ministry:** We are gathering names from the congregation of pastors that we believe would be a good fit for care ministry for our Trinity family. If you have suggestions, please share them with Pastor Henderson, shenderson@trinitycp.org.

**Help Wanted:** Trinity is seeking to fill the Contemporary Worship set up position on Saturday afternoons. This position pays \$35/per set up. In the past this has been either one person committing to the work or a family that works together.
